PT Kreatif Digital Indonesia

Surabaya

Dear Hiring Manager,

I am writing to express my interest in the UI/UX Designer position at PT Kreatif Digital Indonesia, as advertised. As a final-year Informatics Engineering student with extensive experience in UI/UX design, I am confident that my skills and background align well with the requirements of this role.

I have successfully completed a bootcamp focused on UI/UX design, which allowed me to refine my technical skills in creating user-friendly interfaces and designing interactive prototypes. Additionally, my active involvement in a university organization dedicated to technology and design has provided me with valuable hands-on experience in collaborative projects, enhancing both my teamwork and problem-solving abilities.

I am proficient in using Figma to design intuitive and engaging user experiences. My strong foundation in user-centered design principles, coupled with my commitment to continuous learning, enables me to deliver innovative solutions that meet user needs and exceed expectations.

I am enthusiastic about the opportunity to contribute to PT Kreatif Digital Indonesia's vision of delivering innovative design solutions. I am eager to bring my creativity, dedication, and technical expertise to your team, and I am confident in my ability to create impactful user experiences that align with the company's goals.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences can contribute to your team's success. Please feel free to contact me at **082315753653** or via email at **rrofia5@gmail.com** at your convenience.

Sincerely,

Rofiah Azwa
